

School Website/Webpages

NEPN/NSBA Code: IJNDC

Monhegan School maintains an official website to provide general information about our school system, as well as information about educational programs, extracurricular activities, school events, and student and staff achievements. This website is intended to support the educational mission of the schools, to enhance the curriculum and learning opportunities for students and staff, and to provide valuable information to the larger community about our school. The website does not create, nor is it intended to create, a public or limited public forum.

The School Committee recognizes that the schools must establish reasonable controls to protect the privacy of students and staff, to ensure that the website is in compliance with applicable laws, and to ensure that it meets the highest educational and quality standards. The Superintendent shall be responsible for overseeing the implementation of this policy and any accompanying guidelines, and for advising the School Committee of the need for any future amendments or revisions to the policy or guidelines. The Superintendent may develop additional administrative procedures and/or rules governing the day-to-day management and operations of Monhegan School's website, consistent with the School Committee's policy. The Superintendent may delegate specific responsibilities to the Lead Teacher or others as he/she deems appropriate.

Any additional websites or webpages maintained by Monhegan School shall comply with the same policies and guidelines as for the official website.
